PROFESSIONAL EXPERIENCE

Data Integrity & Investigation Analyst – Mercor *Winston-Salem, NC | 01/2026 – Present*

- Investigate, audit, and analyze complex digital artifacts and multi-source datasets to identify operational anomalies, compliance risks, and data discrepancies.
- Perform comprehensive risk assessments and intensive due diligence evaluations on massive data environments to maintain system policy compliance and technical integrity.
- Utilize advanced analytical tools to monitor high-level quality trends, successfully mitigating corporate liability and optimizing data reliability.

Dedicated Testing Engineer – Applause App Quality Inc *Framingham, MA (Remote) | 01/2020 – 05/2026*

- Executed detailed quality assurance test plans and case protocols, ensuring high procedural standards and industry alignment prior to full deployment.
- Collaborated seamlessly with developers and engineers to isolate technical errors and compile comprehensive diagnostic logs to streamline problem-solving.
- Optimized project management tracking systems and responded effectively to technical operational inquiries to elevate institutional efficiency.

Patient Experience Surveyor – Engage CX *Charlotte, NC (Remote) | 04/2022 – 01/2026*

- Conducted comprehensive outreach and analytical data gathering to identify critical avenues for delivery improvement and quality assurance.
- Engineered practical frameworks for systematic feedback compilation, improving consumer response rates while verifying total compliance with statutory regulations.
- Trained operational staff on advanced engagement protocols, which significantly enhanced overall performance metrics and data reliability.

Survey Call Team (Seasonal) – Partners Personnel / Yardi Systems Inc *Scottsdale, AZ (Remote) | 09/2022 – Present*

- Utilized CRM systems to record extensive survey insights and customer touchpoints with maximum precision, supporting backend analysis.
- Provided responsive technical guidance and product knowledge training to end users, reducing subsequent support escalations.

Credit Due Diligence Investigator – Wells Fargo *Winston-Salem, NC | 02/2017 – 02/2020*

- Conducted thorough due diligence and financial fraud risk investigations, achieving a 99.9% accuracy and compliance rating relative to internal and regulatory benchmarks.
- Developed and executed standardized risk assessment methodologies, accelerating the identification of potential liabilities and data discrepancies.
- Reviewed and cross-examined complex financial documentation, credit portfolio trends, and case histories to support optimal, evidence-backed decision making.

Claims Professional – Blue Cross and Blue Shield of North Carolina *Winston-Salem, NC | 12/2015 – 02/2017*

- Analyzed, reviewed, and processed complex insurance claims data, maintaining strict adherence to regulatory standards and corporate policy guidelines while minimizing errors.
- Evaluated specific policy coverage rules and applicable legal frameworks to prepare accurate, detailed settlement and benefit calculations.
- Navigated intricate policy guidelines and internal organizational relationships to ensure precise, fair, and timely claims administration and dispute resolution.

Dedicated Payroll Specialist – Paychex *High Point, NC | 12/2009 – 01/2015*

- Processed large-scale payroll administration for over 1,000 corporate employees, confirming absolute adherence to federal and state statutory labor regulations.
- Conducted routine interior data audits to identify processing anomalies, ensuring continuous data integrity and fiscal accountability.

Collector III – Bank of America *Greensboro, NC | 11/2006 – 12/2009*

- Directed collection mitigation and advanced account reviews for high-risk mortgage assets, maintaining precise compliance records in line with corporate guidelines.
- Utilized strategic communication, empathy, and negotiation tactics to structure tailored payment structures and minimize institutional financial loss.
- Mentored and trained junior personnel in effective asset recovery techniques, enhancing overall team performance and knowledge distribution.

Patient Billing Specialist – Laboratory Corporations of America (LabCorp) *Burlington, NC | 03/2003 – 08/2006*

- Managed complex patient billing files and collaborated extensively with healthcare providers to verify insurance coverage and coordinate medical terminology/coding accuracy.
- Utilized dedicated enterprise billing software to systematically track accounts, perform corrective data entry on discrepancies, and optimize financial revenue cycle workflows.
- Delivered exceptional customer service to resolve high-volume accounts and claims inquiries, earning the "Most Ambitious Award" and multiple Customer Service Awards.

EDUCATION & PROFESSIONAL DEVELOPMENT

Winston-Salem State University – Coursework in Political Science *Winston-Salem, NC*

Thomasville High School – Associate of Arts / High School Diploma *Thomasville, NC*
